Thank you for confirming.

I believe you went into the office to view the box of compact fluorescent tubes during the inspection. During my visit in March, they were in an open box that was neither labeled or dated. I meant ask, had they closed, labeled or dated the box? And when do you expect results from the sand blast dust collected and the pond water and soil?

Thanks,

Hi Gerard and Justin,

I'm typing up a short report based on our visit to Super Salvage on May 28<sup>th</sup>, and was wondering what your titles were. Also, would you mind confirming your telephone numbers?

Here's what I have so far:

Gerard	US EPA	<a href="mailto:crutchley.gerard@epa.gov">crutchley.gerard@epa.gov</a>	410-305-2780
Crutchley			
Justin Young	US EPA	<a href="mailto:young.justin@epa.gov">young.justin@epa.gov</a>	410-305-3029

Thanks,
